

27 June 2014

Dear Resident/Business

ROAD RESURFACING

As part of the Streets Ahead works we are writing to let you know that we are soon to resurface some of the local roads in the **Sandygate area**.

The work in this area is due to start on **14 July 2014** for **4 weeks** and we will need to close some of the roads to do the work. The hours of work will be **7am -7pm**.

There will be no on-street parking on the roads that we are resurfacing – vehicles left on-street may be towed away and you will need to pay a fee to have your vehicle released.

If you are away during the period in which the works are scheduled to take place please avoid parking your car on the road. Our work schedule is heavily dependent on the weather and can be affected by unforeseen circumstances so it may be necessary to change the start date at short notice. We will tow cars that are delaying our works.

A schedule of works is included at the end of this letter. Temporary road signs will also be displayed five days before work starts, confirming the dates of work and parking restrictions.

Please note that diversion routes will be in place where needed. Pedestrian access and access for emergency vehicles will be available at all times.

Parking and access arrangements

There will be no on-street parking or access to properties on the roads we are working on, during working hours. Most roads will be open and on-street parking will be as normal at other times.

We are sorry for the inconvenience this will cause but believe the long term benefits of our resurfaced roads will outweigh the short term disruption.

Please let our on-site supervisor know if you need vehicle access to your property for urgent reasons. Please let us know of your needs as soon as possible – we will always try to accommodate them but there may be a delay while this is organised.

Bus service and bin collection changes

Changes to your regular bus service or diversion routes will be publicised by South Yorkshire Passenger Transport (SYPT). Please check your local bus stop or www.travelsouthyorkshire.com for any route changes. You can also call Traveline on 01709 515151 or follow @TravelSYorks on Twitter.

If there are any changes to your bin collection days these will be communicated by Veolia at www.veolia.co.uk/sheffield on Twitter @Recycle4Shef or by calling 0114 273 4567 between 8am and 6pm.

Road Safety

We are working with the Council's Road Safety Team to remind all road users to watch out for others on the road and think about their needs. Please be patient and take extra care during road works. Make sure to allow extra time for your journey. Stick to the designated diversion routes and always drive within the speed limit and to suit the conditions of the road. The difference of a few miles per hour can mean the difference between life and death. Think! Slow down.

Other road resurfacing in Sheffield

We are resurfacing roads, upgrading street lights and upgrading the condition of pavements and roads across Sheffield, as part of our Streets Ahead highway maintenance programme. Most of the work will take place from now until 2017.

Bogus Callers

If you are approached by someone claiming to be from Amey, the Council or connected to the Streets Ahead project offering to resurface your drive please do not hand over any money. If possible take the callers details, including their vehicle registration number and we will inform the Police. All Streets Ahead and Amey employees carry identity cards. If you have any doubts about the identity of a person carrying an identity card please call customer services.

Further information

Please see www.sheffield.gov.uk/sandygate for further information and updates about local works and follow progress on Twitter @sccstreetsahead.

If you would like to discuss any issues, please contact us on 0114 273 4567 or email streetsahead@sheffield.gov.uk.

Thank you

We appreciate that any disruption can be frustrating and thank you for your understanding whilst these important works are completed.

Kind regards

Streets Ahead

Zone B45 Sandygate - Road Resurfacing

Our planned work schedule is set out below and gives information about the weeks when work will take place. The specific dates of work for each street will be displayed on the on-street signs five days in advance.

Please note that the schedule is heavily dependent on the weather and can be affected by unforeseen circumstances. It may be necessary to change the schedule at short notice. If this happens, the temporary signs displayed in the area will be updated.

Road Name	Date of First Road Closure – Week Starting	Date of Second Road Closure – Week Starting	Working Hours
Cardoness Road	14 July 2014	21 July 2014	7am-7pm
Barholm Road	14 July 2014	21 July 2014	7am-7pm
Dransfield Close	14 July 2014	21 July 2014	7am-7pm
Dransfield Road	14 July 2014	28 July 2014	7am-7pm
Selborne Road	14 July 2014	28 July 2014	7am-7pm
Cairns Road	14 July 2014	28 July 2014	7am-7pm
Watt Lane	28 July 2014	Not applicable	7am-7pm
Cardoness Drive	28 July 2014	Not applicable	7am-7pm

We may also need to close the roads on additional days to make adjustments to ironwork such as manhole covers and road markings.
