Crosspool Festival Photography Competition Winners 2018

The theme of this year's photo competition was the **contribution of women in the world** and could include a portrait picture of a mother, sister, or inspiring friend, or someone you look up to and admire. We didn't just want portraits though the entries could for example reflect one or more of the colours and values of the Suffragettes which were purple which symbolised dignity, white for purity and green which symbolised hope. The categories of Primary (5-11 yrs), Secondary (12-18 yrs) and Adult (19 yrs+) were open to anyone living/working/studying.

We wanted every photograph to make an impact and tell a story.

Almost 600 votes were cast on the shortlisted entries and the winners were announced at St Columba's on 4th July and the prizes awarded at the Summer Fayre on Saturday 7th July.

A Week Full of Festivities

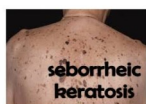

"Women's Suffrage", was the theme for this year's Crosspool Festival, with the proceeds raised being donated to "SARAS" Women's Refuge. The week started on Friday 29th June with the blessing of a well dressing of a suffragette, wonderfully depicted in flower petals and pepper corn seeds, culminating on Sunday 8th July with the area's churches coming together for a "Picnic in the Park", on Lydgate Green.

For several years, Crosspool Forum has hosted a number of community events during its festival week. This year's exceptionally very hot and sunny weather added to the enjoyment of people browsing local Open Gardens to raise money for the chosen charities of the individual garden owners, the pleasure of enjoying the entertainment and shopping at the Street Market on Selborne Road, the many competition scarecrows dotted around the area, Jan's very much appreciated Crosspool history walk, the "Lydfest" at Lydgate infants and the third annual Crosspool Crawl.

'Red Route' planned for Sheffield

In a bid to make children safer, double red lines are to be painted outside Sheffield schools. This will be the first time so-called

"red routes" will have been tried, outside London. Sheffield City Council intends to take a "zero tolerance" approach to stopping or waiting on the cities red routes. Cllr. Jack Scott said, "I want to be as clear as possible about parking on red lines: there is no waiting, no parking, no excuses and no second chances. If you do it, we will find you and we will fine you."

A Week Full of Festivities continued

The well-attended Rosie Hood folk night concert at Stephen Hill Church was a huge success as was the open mic night at the Nest Café, the quiz night at the Sportsman (Ember Inn) and the Lego challenge at the Tapton Hill Church.

The Summer Fayre was a great afternoon, see page 6 for more details. Special thanks go to all those parents, friends, neighbours and relatives who volunteered their time, skills and energy to help with the Fayre.

We are also very grateful to the PCSO's who took the time to visit us on the big day, and to all the local businesses and residents for their support in the shape of raffle prizes and donations. "Thanks once again for your support - see you all next year."

Crosspool Family Day Out

The Forum made use of one of Lydgate Schools inset days for their family day trip to the Yorkshire Wildlife Park on the 23rd July 2018. The day out had been organised to give the younger, current and older generations of our community, whose ages ranged from 2 to 92 years old, an opportunity to make new acquaintances, and exchange life experiences to get to know each other that-much-more.

41 locals boarded the bus outside the Sportsman at 9am for the fifty minute journey to Doncaster. Although being excited on the outward journey and despite hot weather, the children were attentive, inquisitive & very well behaved.

The sun shone all day as we meandered around the park taking in the activities of the polar bears, baboons, giraffes, anteaters, lemurs, camels, lechwe, ostriches, armadillo and marmosets most of which were avoiding the blazing heat of the sun and quiescent in the shade, watching the visitors wander through the park with their digital phones at the ready to snap the rescued animals at play.

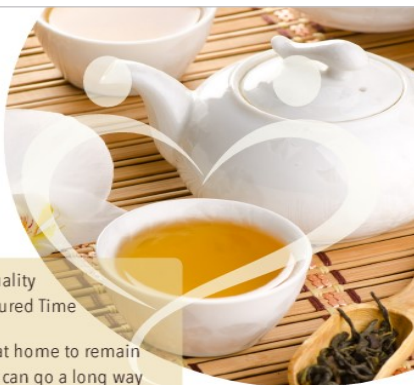

Respite from the heat were taken at the various picnic and eateries around the 70 acre site.

We ended the day with a buffet tea at the Mount Pleasant Hotel. Far from being tired on the journey home, after such an exciting and memorable day, everyone enjoyed the journey and remained cheerful right up to our early evening arrival back into Crosspool.

A great day was had by all and a big thank you goes out to the bus drivers Andy and Simon, and to everyone for making the trip a memorable one. The feedback from parents, grandparents and especially the children was that the day had more than exceeded their expectations.

A good turnout of visitors attended this year's summer fayre despite the attraction of the England vs Sweden world cup clash. The official opening ceremony was made by King Edwards Lower School Deputy Head Rob Whittingham and will probably be one of his last public school functions before he retires towards the end of August, we all wish him a long and happy retirement.

The sun shone all day as children's favorite Barney Baloney performed his magic, the afternoons musical entertainment was performed by local musician Richard Francis on his saxophone, while the Ambassador Swing Band performing their assortment of Glen Millar songs. We also had Irish dancing and Street Dancers performing throughout the afternoon.

Holly Hagg's alpacas paid us a visit and all the traditional, bouncy castle and bouncy slide where as popular as ever.

Crosspool WI kept everyone hydrated with their refreshments and cakes, while our local traders had stalls providing fruit, burgers, hot dogs and ice cream.

A big thank you goes to everyone who helped make our summer fun day a big success.

A pair of "inline roller skates" were found at the CDYST on clearing up and have still not been claimed, if you know of anyone that may have lost them please get in touch with the Forum.

Electricity Works Cause Precinct Shop Closures

The essential electrical work, being carried out at the Benty Lane substation by Northern Powergrid to replace electricity cables and equipment to prevent loss of supply and reinforce the network, had a knock on effect to many of our local businesses in the precinct. Work that had been going on for almost two weeks resulted in a power outage on Friday the 10th July, leaving many businesses without power for most of the day. The result was shop closures and some businesses operating without any power until it was restored at 16.30. Local shop owners have apologised to their customers saying that the disruption was outside their control.

OPEN MEETING Bullet Points Thursday 26th July 2018

25 residents, 7 Forum Management Committee members and 5 guest speakers attended.

Ian Hague welcomed everyone & introduced the top table. He then paid tribute to Dawn Boulter, the chair of this year's Festival Week, who tragically died following a recent heart attack. Roger Kite (a Festival team member) offered "sad condolences to Dawns family" & said she was "very much a part of the Crosspool community" and a founder member of the WI'. Rev Suzanne Nockels spoke of her great contribution to Crosspool followed by a minute's silence.

Chairman's Report

The bullet points of the 26th April meeting were agreed as a true record - all on the website as usual. The planned community coach trip to the Yorkshire Wildlife Park took place on 23rd July. Crosspool residents aged from 2-92 thoroughly enjoyed the day out at the park, followed by a meal at the Mount Pleasant Hotel. Thanks given to Andy & Simon for supplying the bus.

Financial Report

The Forum has a healthy balance. A summary of the accounts were made available. Bickerton Skoda was thanked for their past sponsorship of the Clarion. Local sponsorship is a warmly welcomed asset.

Police Update

Nicola Doolan sent in a brief report. Sadly there have been several incidents - thefts from and of motor vehicles, number plates stolen, burglaries and shops targeted locally. Janet (of Charisma) was one of those burgled and the police only responded when she put in a complaint. The inspector who eventually visited agreed she had received a "terrible service" & forensic evidence had been lost which might have led to the apprehension of the man involved Janet then asked around and to her shock found there had been 15 incidents in the Shops over the last 12 months. She said CCTV needs to be erected. Cllr. Anne Murphy agreed, saying this had only started happening since the local PC's were withdrawn from the area. Council-operated CCTV systems are prohibitively expensive - an officer would need to be paid to monitor the footage (new data protection rules) so individual shops need to look into their own security.

First Bus Company

Andy Metcalfe (FirstBus) said summer timetable now running. The tram works and strikes causing some infrequencies He took questions on why buses occasional use Selborne Rd, why there are often only single-deckers on the 51 outbound in busy times and the move to cashless journeys.

Litter Ambassadors

Geraldine Poulton of Fulwood has become one for her local area, registered with Keep Britain Tidy. The Council provides rubbish bags, gloves, litter pickers & training. John Marsh and his wife have agreed to co-ordinate this for Crosspool. There are 62 'heros' pledged to clear up litter from the Fulwood streets, 23 already at Lodge Moor and she hopes this will snowball.

Councillors' Q&A's

Roger Kite asked Cllr. Anne Murphy & Mohammed Mahroof why Rivelin Water Park is such a poor relation to the one at Millhouses - with broken equipment (even though this has been reported) apparently The Friends of Millhouses Park has an "enormous amount of money to spend on their facilities. Anne & Mohammed will look into this, but suggested applying for funding from Hillsborough & Walkley Ward Pots to have improvements made.

Events

Despite the extremely hot weather and world cup football, Sally Turnbull (festival team) said that the Street Market, Folk night and Fayre etc. were well attended, and a superbly designed Well Dressing, made for a successful Festival!

Tribute to Rodger Parkinson

It is with deep sadness that we have to announce the passing away of our good friend Rodger Parkinson. Rodger, who was 61, died suddenly after he suffered a cardiac arrest during the afternoon of Thursday 16th August.

"Jolly Rodger", as he was affectionately known, will be remembered fondly by many in the area for being the genial compare of the Sunday and Wednesday evening quizzes at The Sportsman (ember inn), Benty Lane, and for his enthusiastic support and willingness to help with various Forum and general community events and activities.

He was a true gentleman, who will be sadly missed by everyone who had the good fortune to know him. Extending our deepest sympathy and heartfelt condolences.

Tribute to Dawn Boulter

The tragic and unexpected loss of someone so young and in the prime of life, this year's Festival Chair Dawn Boulter died suddenly of a heart attack Friday 13th July. Death is sad enough when anticipated, but even worse when unexpected.

Dawn had only been a member of the Crosspool Forum for less than a year but in that short time everyone always found Dawn to be very approachable enthusiastic and committed to preserving and improving the character and good neighbourliness of Crosspool. Very much appreciated as a part of the Crosspool community Dawn was a founder member of the Crosspool WI.

Dawn will be very much missed by the Crosspool Forum and everyone who had the good fortune to come in contact with such a wonderful lady. We offer our sad condolences to Dawns family.
